The City of Bloomington Utilities Lifts Precautionary Boil Water Advisory Issued on November 3

The City of Bloomington Utilities has lifted the precautionary boil water order advisory issued for some of its customers on Tuesday, November 3, following the repair of a water main break on South Nancy Street. It is no longer necessary for residents in the following areas to boil their drinking water for five minutes prior to consumption.

- **1600-2012 East Hillside Drive**
- **1512-1612 South High Street**
- **1506-1613 South Nancy Street**
- **1615-1830 East Thornton Drive**
- **1506-1701 South Clifton Avenue**
- **1501-1639 South Dorchester Drive**

For more information, customers of the City of Bloomington Utilities can call 812-339-1444.
